

REFORMS IN EXAMINATION SYSTEM

- Those who have failed to score 40% in a given paper must write the supplementary examination. Supplementary examination for odd semester papers are conducted in October and supplementary examination for even semester papers are conducted in April. Apart from this there will be a **special supplementary examination for 1, 2,5 & 6th semester UG papers and 3 & 4th semester PG papers.**
- Practical examination was conducted for 15 marks and the practical continuous assessment was for 35marks. **This practice was changed to 25+25**
- The 5 marks given for attendance was removed and proposed to reintroduce from 2014-15.
- The rule that a candidate must clear minimum 50% of the papers to go to the next semester is removed. But a student can go to the third year only after completing all papers of 1 & 2 semester.
- During the study holidays, all question papers are scrutinised by the BOE from 2012 onwards.
- Bar coding the answer script has been incorporated .
- Teachers will affix barcodes for marks in the answer script. This will avoid errors in mark entry.
- Photograph of the candidates and hologram are affixed in the marks card.
- The Foundation courses marks are incorporated in the marks card. A student failing in the foundation courses also will be declared 'failed' in the semester.
- A detailed malpractice rules were drafted and passed in the academic council.
- The Test and Semester examination time table are posted in the college website. The seating arrangement also is posted in the college website.
- A state of art software was purchased for the examination and attendance.
- From 2014 onwards the certificate verification will be done online.
- All semester examination question papers will bear the college logo
- The new controller of Examinations office was constructed and in 2014 a new room was attached to it.
