NOTICE TO ALL STUDENTS APPEARING FOR THE SEMESTER EXAMINATION ON CAMPUS DURING MARCH/APRIL/MAY, 2021

As per the Government of Karnataka, all students coming to the campus for the first time this academic year are required to produce consent form from their parents/guardian. The same has been notified earlier during the academic year. **If for some reason, the consent form is not produced on the first day of the examination, the same will be expected when the candidate appears for the next examination.**

All students are expected to follow COVID-appropriate behavior, both on and outside the campus.

Examinations are scheduled in the afternoon so that students do not miss the even semester classes conducted in the morning. A student is likely to miss about 5 to 6 classes during the examinations which is well within the 25% of the total number of classes conducted during the semester. There is no reason for any student to have attendance shortage because of examinations.
