

# Reliance Foundation Scholarships

Reliance has been providing scholarships to meritorious students for over 25 years, inspired by Reliance Founder-Chairman Shri Dhirubhai Ambani's belief that the best way to ensure the nation's progress is to invest in its youth. Over the years, Reliance Foundation scholarship programmes have impacted the lives of 13,000 youth across India.

In 2022-2023, Reliance Foundation will support up to 5,000 meritorious undergraduate students from underprivileged sections of society studying any stream of their choice through the Reliance Foundation Undergraduate Scholarships, and 100 of India's brightest postgraduate students studying eligible subjects in new technologies through the Reliance Foundation Postgraduate Scholarships.

Both Reliance Foundation Scholarships will aim to nurture and empower meritorious students and will work together to generate robust, vibrant and engaged alumni networks, enabling scholars to pursue higher education, emerge as young professionals, and drive India's growth.
