

## **NOTICE**

### **Syllabus for the supplementary examinations**

24-06-2021

#### **Attention: Candidates writing supplementary examinations:**

According to the rules of St.Joseph's College, Bengaluru, when a syllabus is changed, the supplementary candidate will get two more chances to write the examination in the same syllabus they were taught. After this period, they must write the examination in the new syllabus. However, due to pandemics, many students requested us to allow them to write the supplementary examinations in the old syllabus for one more year as it will be difficult for them to access the new syllabus and get guidance from the course teachers. This request has been accepted for the even semester examination April 2021, conducted in June-July 2021.
