UG 3 & 5th semester Practical Examination

(Practical examinations are conducted online for the following courses:

Electronics (UG) 3& 5th semester, Maths (UG) 3 and 5th semester

Practical Examination Timetable: The schedule for the proposed online examination on practical courses has been uploaded on the college website.

Question paper pattern for online practical examination: The approved question paper pattern also has been uploaded.

The practical online examination starts at 9.30 am.

The online practical examination questions will be of MCQ type. Students need to log in with one device only. The maximum mark for each course is 35. Each 1 mark question will be on the screen for a maximum time of 70 seconds and each 2 marks question will be on the screen for a maximum time of 140 seconds. Candidates must answer a question within this time period. A candidate must spend at least 60 seconds for one mark question and 120 seconds for a 2 mark question. This means that the students can go to the next question only after 60 seconds (for 1 mark question) and 120 seconds (for 2 marks question) from its first appearance on the screen. There will be a timer display on the right-hand side of the screen. **Students can not go back and answer the previous question. There will be no negative marks for wrong answers.**

If your examination is not scheduled in your portal, kindly send an email.
