

## Notice to all the 3<sup>rd</sup> and 5<sup>th</sup> semester UG and 3<sup>rd</sup> semester PG students

As per the Government of Karnataka, all degree colleges are expected to reopen in the month of October, 2020. All colleges affiliated to Bangalore University and Bangalore City University have already started revision classes and end semester examination of the even semester during this month. St. Joseph's College (Autonomous) being a private aided institution is required to follow the instructions of the government. Unless there is a change in the directives, our institution will follow the following schedule.

- Students of **Physics, Chemistry, Zoology, Botany, Electronics, Food Science & Technology, Biotechnology, Environmental Science and Microbiology** will have practical classes in campus starting from 1<sup>st</sup> October, 2020. All SOPs suggested by the Government will be followed in conducting these classes. Theory classes for all the other courses will continue online mode.
- The end semester examinations for all the 3<sup>rd</sup> and 5<sup>th</sup> semester UG and 3<sup>rd</sup> semester PG students will be held in the second week of November, 2020 in the campus. The notification and the timetable will be published by the Controller of Examinations in the month of October.
- For those students who do not wish to come for the practical sessions and/ end semester examinations in October/November 2020, an opportunity to complete the semester requirements will be given later during the academic year at the convenience of the institution. A consent form will be made available for this purpose by the end of this month.
