REPORT ON ONLINE SESSION FOR VTH SEM BBA STUDENTS

Event: Online session on Financial Planning and Investment

Date: 21.1.22

Time: 12:30 – 1:30

Platform: Online – Zoom

Session on Financial Planning and Investment

Department of Management conducted an online session for the students of Vth semester BBA on financial planning and investment in association with Unit Trust of India. The session gave students an overview on importance of investment, financial independence and financial planning.

It also covered various areas like mutual funds' investments and role of SEBI. The session benefitted students as they got to learn about the importance of savings, need of financial plan and how investing at an early age would push forward to achieve goals and how to invest through Systematic Investment. The session was conducted by Suhas Rajput and organized by Professor Greeshma Francis.
